On the Streets and Highways and in Other Places

INDEX TO VOLUME 60, Nos. 1-6

and including
indexing for Volume 6, Nos. 1 and 2
of the RESEARCH REVIEW, a
quarterly supplement
appearing in Traffic
Safety.

January - June

1962

NATIONAL SAFETY COUNCIL

425 N. Michigan Ave. Chicago 11, Ill.

AN INDEX FOR

14134

Traffic Safety and its quarterly supplement Research Review, combined into one alphabetical list by author and subject.

January - June, 1962

Accident costs
The fallacy of fatals, new insurance industry figures bolster all-accident approach. April, 8-11, 46.
1961 traffic story (Miller). March, 9, 11.

Accident investigation
Accident trackdown, how New York City's accident investigation squad probes the "big ones" (Zarchin). April, 16-17, 48-50.

Accident prone
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale (Barmack and others). Research Review, June, 25-30.

Accident statistics
Classifying accidents: a theoretical viewpoint (McGlade and Laws). Research Review, March, 2-8.
Committee approves new form for alcoholic influence report. May, 19.
Freak squeaks of 1961 (Dodds). Feb., 12-13.
Launch new program to cut grade crossing accidents. Feb., 28-29, 42-43.
The national accident fatality toll. March, 11.
See also Motor vehicles - Statistics

Age and sex
1961 traffic story (Miller). March, 10.
A psychological comparison of violator and non-violator automobile drivers in the 16 to 18 year age group (Beamish and Malfetti). Research Review, March, 12-15.
Six-year-old at wheel (Today's traffic). April, 7.

Air pollution
Air pollution control budget for 1963 (News from Capitol Hill). June, 9.
Automobile manufacturers take steps to reduce air pollution (Chandler). Feb., 16-17, 50.
Washington means business (Rosenfield). Jan., 8-9.

Alcohol and driving
Accident trackdown, how New York City's accident investigation squad probes the "big ones" (Zarchin). April, 16-17, 48-50.
Affected or not affected? (Test talk). March, 6.
Committee approves new form for alcoholic influence report. May, 19.
History in the making (Test talk). March, 6.
"Mail bag" writer discusses reckless driver article by Edward C. Fisher, in October, 1961 issue. March, 17.
Meet in London to discuss alcohol and road traffic. May, 21.
Outsmarting the smart boys (Test talk). March, 6.
Report form approved (Test talk). March, 6.
Test talk. March, 6.

Associations
American Association of Industrial Editors - Industrial editors sponsor contest. Jan., 35.
American Association of State Highway Officials - Policy statement on distress signals for freeway motorists. Feb., 27.
American Transit Association - ATA elects officers. Jan., 36.
Automotive Safety Foundation - ASF looks to the future, on 25th anniversary the ASF plans increased action on many traffic fronts. June, 10-11, 35-36.
Insurance Institute for Highway Safety - Insurance Institute elects officers. Feb., 35.
See also Personals; U. S. government

Awards
IACP awards to traffic leaders. Jan., 27.
Medical Tribune announces auto safety awards. March, 25.
Safety Museum award to Cyril Ainsworth. June, 16.
Sixteen transit systems are cited for safety. June, 26.
See also Colleges and universities; Contests

Awards - National Safety Council
Metropolitan Life awards, nominations open for 1961. March, 21.
National Safety Council Metropolitan Life awards for research in accident prevention. Research Review, March, 32.
Open nominations for Marcus A. Dow award for 1961. Jan., 36.
Professional profiles, background and careers of the first ten winners of the Marcus A. Dow memorial award. March, 34-36.
Public Interest Awards winners announced. May, 11.

Barmack, Joseph E. and others
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale. Research Review, June, 25-30.

Barton, W. B.
Profile of a profession. March, 32-33, 48, 50.

Beamish, Jerome J. and Malfetti, James L.
A psychological comparison of violator and non-violator automobile drivers in the 16 to 19 year age group. Research Review, March, 12-15.

Belts, see Seat belts

Berry, Granville
A new city plan; Coventry rebuilt. April, 24-25.

Between stops. Jan., 4; Feb., 5; March, 5; April, 5; May, 3; June, 5.

Bicycles
Calling all bikes. May, 18.

Book reviews (from the Library Page).
Fisher, Edward C.
Vehicle traffic law. March, 44.
James, Gilbert
Transportation education in American colleges and universities, a survey of program. March, 43-44.
King, Glen D.
First line supervisor's manual. March, 45.
Smith, Wilbur and Associates
Future highways and urban growth. March, 45.

Burke, Jack
Your rural road challenge. June, 18-20, 36-39.

Campaigns, see Programs and campaigns

Chandler, James M.
Automobile manufacturers take steps to reduce air pollution. Feb., 16-17, 50.

Child safety
Effective reminder, green circle check (Today's traffic). Jan., 7.
See also Schools

Cilona, Charles
New police driving school, a dream that came true. Feb., 14-15.

College and universities
ASF fellowship offered at Michigan State. May, 12.
Center for Safety Education opens spring term. Feb., 25.
NUTI announces expanded program. April, 22.
NUTI short course. March, 47.
Ohio State University studies driver behavior. May, 12.
Traffic short courses, listings. Feb., 35; May, 28.
Yale fellowships. Feb., 25.

Color blindness
Power of compensation (Today's traffic). April, 7.

Communications
Can mass communications sell seat belts? (Naisbitt). Feb., 8-11, 46-47.
Chicago telephone network speeds traffic calls. Feb., 24-25.
Electronic party line keeps traffic moving (Lee). June, 12-13.
Emergency communications on freeways (The mail bag). June, 4.
Police move to bar radar warning devices (Ingraham). June, 14.
Street phones in Miami (News and views). Jan., 28.

Conferences and meetings
Coming events. Jan., 25; Feb., 22; March, 24; April, 40; May, 21; June 27.
Meet in London to discuss alcohol and road traffic. May, 21.
Motor Transport Conference meeting May 1-2 in Chicago. May, 28.
National organization men bone up at regional meetings. March, 27.
Uniform traffic laws committee to meet. Feb., 25.
World Traffic Engineering proceedings available. Feb., 22.

Contests
Best safety films of 1961 named. June, 8.
Dallas coliseum selected as site for 1962 National Truck Roadeo. April, 40.
Industrial editors sponsor contest. Jan., 35.
Insurance safety service for the small fleet (Weaver). April, 38, 50-51.
"Life saver" program educates young Air Force personnel. Jan., 26-27.
Yellow Transit budgets for safety (Robeson). Feb., 32-35, 47.

Courses
see Colleges and universities; Drivers and driving - Education and training; Police - Training

Courtesy
Courtesy Safety Summons for vacationing group (News and views). Jan., 29.

Courts
see Traffic courts

Crafts, James F.
California goes to bat for driver training. Jan., 14-15, 45-47.

Crash injury
see Research - Crash injury

Dodds, Tom
Freak squeaks of 1961. Feb., 12-13.

Dow award winners, see Awards - National Safety Council

Drivers and driving
Distress signals for freeway motorists; AASHO policy. Feb., 26-27, 48.
Effective reminder, green circle check (Today's traffic). Jan., 7.
Ohio teens write own prescription. March, 24.
Pennsylvania's re-examination program shows results. Feb., 30.
A psychological comparison of violator and non-violator automobile drivers in the 16 to 19 year age group (Beamish, and Malfetti). Research Review, March, 12-15.
Unsafe "over-view" (Today's traffic). Feb., 7.
William F. Leonard, Jr. addressed high school crowd on moral responsibility of drivers (News and views). Jan., 29.

Drivers and driving - Clubs
Innovations by judge, "400 Club" (Today's traffic). May, 5.
Lucky ones form club (Today's traffic). June, 7.
On the right track (Today's traffic). March, 7.

Drivers and driving - Commercial
Dallas coliseum selected as site for 1962 National Truck Roadeo. April, 40.
Effective reminder green circle check (Today's traffic). Jan., 7.

A field evaluation of the Smith-Cummings-Sherman driver performance rating scale (Barmack and others). Research Review, June, 25-30.
The impact of driver training on motor fleet accident experience: a preliminary survey of the Smith-Cummings-Sherman system (Payne and Prince). Research Review, March, 9-11.
Yellow Transit budgets for safety (Robeson). Feb., 32-35, 47.
Yellow Transit driver safety test prompts system-wide use of seat belts. April, 39.

Drivers and driving - Education and training
Counselling team key to safer transit (Wallace). May, 26-27.
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale (Barmack and others) Research Review, June, 25-30.
Help for adult drivers in Chicago. Jan., 22.
The impact of driver training on motor fleet accident experience: a preliminary survey of the Smith-Cummings-Sherman system (Payne and Prince). Research Review, March, 9-11.
The light touch, weatherman does humorous educational job on adult drivers (Griffin). Jan., 23, 43.
New police driving school, a dream that came true (Cilona). Feb., 14-15.
Preliminary report of driver study. May, 21.
Study possibilities of "self-teacher". March, 47.

Drivers and driving - Education and training - High school
Arizona asks the people; poll shows support for driver education. Jan., 16-17.
Behind-the-wheel training boosted in Chicago. Jan., 20-22.
California goes to bat for driver training (Crafts). Jan., 14-15, 45-47.
The crisis in driver education (Noffsinger). Jan., 10-12.
Driver education pays off (Klamm). Jan., 18-19.
The handicapped student, and the automobile (Gutshall). Jan., 24, 25, 47.
Lansing reports on teenage drivers. March, 21.
More about driver education (An exchange of correspondence between Forest Noffsinger and Menno Duerksen). April, 33-34.
Numerous letters of approval for driver education section of the January issue of Traffic Safety (The mail bag). March, 16-17.
State financial support of high school driver education. Jan., 13.

Drivers and driving - Licensing
Kentucky campaign reminds drivers to get licenses (News and views). Jan. 29.
Re-examination program shows results. Feb., 30.
Twelve points--you're out in N. C. (Today's Traffic). Jan., 7.

Duerksen, Menno
More about driver education (An exchange of correspondence between Forest Noffsinger and Mr. Duerksen). April, 33-34.

Eble, Charles E.
Safety part of regular job (A quote from his speech given a New York safety council annual meeting). April, 19.

Electronics
Electronic party line keeps traffic moving (Lee). June, 12-13.
Ohio State University studies driver behavior. May, 12.

Enforcement, see Traffic courts

Engineering
Signs, signs, everywhere, what's a driver to do? (Hanson). March, 18-19.

Engineers
Professional profiles, backgrounds and careers of the first ten winners of the Marcus A. Dow memorial award. March, 34-36.
Profile of a profession (Barton). March, 32-33, 48, 50.
T. T. Wiley enters personal practice; to provide consulting engineering services. April, 22.

Entertainment
The light touch, weatherman does humorous educational job on adult drivers (Griffin). Jan., 23, 43.
Magic results; two Kansas policemen fight the accident dragon with entertainment. April, 23.

Exhaust fumes, see Air pollution

Exhibits
Pennsylvania health department uses seat belt persuasion. March, 26-27, 47.

Fabrizio, Ralph A. and others
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale. Research Review, June, 25-30.

Farm safety
Farm safety week July 22-28. June, 8.
Protection for farm workers transported to and from work (Today's traffic). May, 5.
See also Rural traffic

Fatigue
Machine that refreshes (Today's traffic). June, 7.
No wonder we're bushed (Today's traffic). Feb., 7.
One for the road (Today's traffic). Feb., 7.
What, no tea? (Today's traffic). Jan., 7.

Films, see Visual education

Fire protection
Keeping them on the rig, firemen learn that seat belts offer safety on high speed missions. Jan., 32-33.
The national accident fatality toll. March, 11.

Forbes, T. W.
A study of accident hazard in relation to fenders and mudguards for motor vehicles. Research Review, March 16-19.

Foreign activities
Aussies plug seat belts (Today's traffic). May, 5.
Behind the times (Today's traffic). June, 7.
Getting in step, may drive on right in Sweden (Today's traffic). Jan. 7.
How they're training future motorists "down under". Jan., 30.
A new city plan, Coventry rebuilt (Berry). April, 24-25.
1961 traffic story for some provinces and cities in Canada (Miller). March, 40-41.
Seal of approval for car safety belts in Australia (Today's traffic). Feb., 7.
Sweden studies speed limits. April, 39.

Foundations
Automotive Safety Foundation looks to the future; on 25th anniversary the ASF plans increased action on many traffic fronts. June, 10-11, 35-36.

Gocke, Robert E.
Only the best drive Greyhound. June, 22-25.

Grade crossings
Launch new program to cut grade crossing accidents. Feb., 28-29, 42-43.
The national accident fatality toll. March, 11.
Railroad crossings (The mailbag). June, 34.

Griffin, Garnet M.
The light touch, weatherman does humorous educational job on adult drivers. Jan., 23, 43.

Gutshall, Robert
The handicapped student, and the automobile. Jan., 24, 25, 47.

Haeusler, Roy C.
Safety and the car of the future. May, 6-9, 37-40.

Hall, W. Earl
There's no "sure cure". April, 31, 47.

Handicapped persons
The handicapped student, and the automobile (Gutshall). Jan., 24-25, 47.

Hanson, Daniel J.
Signs, signs, everywhere, what's a driver to do? March, 18-19.

Hatfield, Mark
The challenge of today. March, 30.

Head protection
Hard hats on wheels (Today's traffic). April, 7.

Health departments
Pennsylvania health department uses seat belt persuasion. March, 26-27, 47.

Highways
Highway contractors cut accidents. Jan., 50.
Net result, safer highways. Feb., 23.
New Jersey warm-up (Today's traffic). April, 7.
Personality change (Today's traffic). June, 7.

Highways - Controlled access
Accidents that won't happen; new freeway stretch in Michigan (Today's traffic). May, 5.
Electronic party line keeps traffic moving (Lee). June, 12-13.
1961 traffic story (Miller). March, 9.

Holidays
"Holiday safety through seat belts" parade float. Feb., 30.
How nation planned for safe holidays. March, 28-30, 46.
Organized labor takes steps to kayo off-job accidents (Render). Jan., 34-35.

Hugunin, Elbert
New York puts the facts to work; lays the groundwork for a sound traffic program. May, 14-16, 37.

Ingraham, Joseph C.
Police move to bar radar warning devices. June, 14.

Insurance companies
Driver education pays off (Klamm). Jan., 18-19.
The fallacy of fatals, new insurance industry figures bolster all-accident approach. April, 8-11, 46.
Insurance safety service for the small fleet (Weaver). April, 36-38, 50-51.

Inventory - Traffic safety
Annual Traffic Inventory awards to be announced June 3 (Between stops). June, 5.

Kennedy, John F., President of the U. S.
President Kennedy's message about his Committee for Traffic Safety. March, 23.
The President's budget message (News from Capitol Hill). April, 25-26.

Kiefer, Norvin C.
Democracy in action (a quote from his speech at New York Safety Council meeting). April, 19.

Klamm, E. R.
Driver education pays off. Jan., 18-19.

Kralovec, Dalibor W.
School patrols, sentinels of safety, protective arms, and teachers of safety. Feb., 20-21, 50.

Labor unions
Organized labor takes steps to kayo off-job-accidents (Render). Jan., 34-35.

Laws, F. Donald and McGlade, Frank
Classifying accidents: a theoretical viewpoint. Research Review, March, 2-8.

Lee, Phillip B.
Electronic party line keeps traffic moving. June, 12-13.

Legislation
Legislative hopper, summaries of traffic safety legislation. March, 12-13; April, 21-22; May, 17-18; June, 15-16, 39.
News from Capitol Hill (Rosenfield). Feb., 19, 45; March, 20, 45; April, 25-26, 54; May, 10, 42; June, 9, 32-33.
Washington means business, review of 1961 safety activity on Capitol Hill (Rosenfield). Jan., 8-9, 48, 50.

Licensing, see Drivers and driving - Licensing

McClade, FRANCIS Frank and Laws, F. Donald
Classifying accidents: a theoretical viewpoint. Research Review, March, 2-8.

The mail bag. March, 16-17; April, 4; June, 4, 34.

Malfetti, James L. and Beamish, Jerome J.
A psychological comparison of violator and non-violator automobile drivers in the 16 to 19 year age group. Research Review, March, 12-15.

Mangelsdorf, Harold G.
Industry backs local safety effort. April, 18-28, 52.

Miller, H. Gene
1961 traffic story. March, 8-10, 37-41.
The traffic toll and/or record. (Monthly data shown under new by-lines each month). Jan., 6; Feb., 6; March, 9: April, 6; May, 4; June, 6.

Motor vehicles
Amber lights for front turn signals. March, 17, 46.
Automobile manufacturers take steps to reduce air pollution (Chandler). Feb., 16-17, 50.
Cars line up for annual safety check. May, 13.
Compact between states to speed use of safety devices. Jan., 12.
Mechanical reduction of impact forces by automotive design (Ryan). Research Review, June, 7-14.
Public buys more safety equipment. Jan., 50.
This should dim 'em (Today's traffic). March, 7.
Safety and the car of the future (Haeusler). May, 6-9, 37-40.

Motor vehicles - Collisions
High school stages collision to teach accident reporting. June, 17.
Mechanical reduction of impact forces by automotive design (Ryan). Research Review, June, 3-14.

Motor vehicles - Collisions (cont.)
Vehicle aspects of the highway safety problem (Stonex). Research Review, June, 15-24.

Motor vehicles - Commercial
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale (Barmack and others). Research Review, June, 25-30.
The impact of driver training on motor fleet accident experience: a preliminary survey of the Smith-Cummings-Sherman system (Payne, and Prince). Research Review, March, 9-11.
Insurance safety service for the small fleet (Weaver). April, 36-38, 50-51.

Motor vehicles - Design
Car of the future. Jan., 36.
Door latch study. April, 41.
Mechanical reduction of impact forces by automotive design (Ryan). Research Review, June, 3-14.
Safety and the car of the future (Haeusler). May, 6-9, 37-40.
A study of accident hazard in relation to fenders and mudguards for motor vehicles (Forbes). Research Review, March, 16-19.
Vehicle aspects of the highway safety problem (Stonex). Research Review, June, 15-24.

Motor vehicles - Speed
Congressman Rogers concerned over violation of "gentleman's agreement" of 1957 among automobile manufacturers (News from Capitol Hill). May, 10.
Point-of-action advertising (Today's traffic). March, 7.
Police move to bar radar warning devices (Ingraham). June, 14.
Sweden studies speed limits. April, 39.

Motor vehicles - Statistics
Accident figures (News from Capitol Hill). May, 10.
Accident trackdown, how New York City's accident investigation squad probes the "big ones" (Zarchin). April, 16-17, 48-50.
Always a first time for an accident (Today's traffic). March, 7.
The fallacy of fatals; new insurance industry figures bolster all-accident approach. April, 8-11, 46.
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale (Barmack and others). Research Review, June, 25-30.
High school stages collison to teach accident reporting. June, 17.
The impact of driver training on motor fleet accident experience: a preliminary survey of the Smith-Cummings-Sherman system. (Payne and Prince). Research Review, March, 9-11.
The national accident fatality toll, 1961. March, 11.
1961 traffic story (Miller). March, 8-10, 37-41.
A study of accident hazard in relation to fenders and mudguards for motor vehicles (Forbes). Research Review, March, 16-19.
There's no "sure cure" (Hall). April, 31-47.
Traffic record. Monthly department.
The traffic toll and/or record (Miller). (Monthly data shown under new by-lines each month). Jan., 6, Feb., 6, March, 9, April 6, May, 4, June, 6.
Tragic accident at Pine Lake. March, 14-15, 50.
Yellow Transit budgets for safety (Robeson). Feb., 32-35, 47.
see also Research - Crash injury

Naisbitt, John
Can mass communications sell seat belts? Feb., 8-11, 46-47.

National Safety Council
George C. Stewart retires from NSC, Pyle assumes his duties. March, 13.
Industry backs local safety effort (Mangelsdorf). April, 19-20, 52.
Launch new program to cut grade crossing accidents. Feb., 28-29, 42-43.
Motor Transport Conference meeting May 1-2 in Chicago. May, 28.
Organized labor takes steps to kayo off-job accidents (Render). Jan., 34-35.
Traffic Safety magazine celebrates 34th birthday (Between stops). Feb., 5.
See also Awards - National Safety Council

Nets
Net result, safer highways. Feb., 23.

News and views. Jan., 28-29.

News from Capitol Hill (Rosenfield). Feb., 19, 45; March, 20, 45; April, 25-26, 54; May, 10, 42; June, 9, 32-33.

Noffsinger, Forest R.
The crisis in driver education. Jan., 10-12.
More about driver education (An exchange of correspondence between Forest Noffsinger and Menno Duerksen). April, 33-34.

Obituaries
John J. Hall, May, 20; Henry E. North, May, 20.

Off-the-job
"Life saver" program educates young Air Force personnel. Jan., 26-27.
Organized labor takes steps to kayo off-job accidents (Render). Jan., 34-35.

Payne, Donald E. and others
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale. Research Review, June, 25-30.
The impact of driver training on motor fleet accident experience: a preliminary survey of the Smith-Cummings-Sherman system. Research Review supplement, March, 1962, 9-11.

Personals
Ainsworth, Cyril
Received Safety Museum award. June, 16.
Barnes, Henry A.
Named New York traffic commissioner. April, 15.
Bethea, J. William
Named executive vice president of the United World Federalists. May, 20.
Boate, T. N.
Receives new honors, elected president of the American Museum of Safety. March, 25.
Dempsey, George M.
Chairman of grade crossing committee, NSC. Feb., 29.

Dow award winners: biographical sketches of the ten men, Carlton Alexander, K. N. Beadle, C. D. Calkins, Colin Dobell, E. J. Emond, Joseph T. Jenkins, Richard O. Olson, Karl Schulze, D. L. Williamson, Frank J. Wirken. March, 34-36.

Foulis, William S.
Appointed executive director of the President's Committee for Traffic Safety. May, 20.

Goss, Irene
Named manager of Oklahoma City Safety Council. May, 20.

McCormack, C. F.
Joined consulting engineering firm. May, 20.

Naquin, Arthur J.
Named head of New Orleans Safety Council. April, 40.

Stewart, George C.
Retires from National Safety Council; Howard Pyle assumes his duties. March, 13.

Wiley, T. T.
Enters personal practices to provide consulting engineering services. April, 22.

Williams, Fred P.
Retired as chief of division of driver licensing in California. May, 20.

Planning
A new city plan; Coventry rebuilt (Berry). April, 24-25.

Police
Chicago telephone network speeds traffic calls. Feb., 24-25.
IACP gives awards for police traffic supervision programs in Miami, and New Jersey (News and views). Jan., 28.
International Association of Chiefs of Police awards to traffic safety leaders. Jan., 27.
Magic results; two Kansas policement fight the accident dragon with entertainment. April, 23.

Police - Training
Accident trackdown, how New York City's accident investigation squad probes the "big ones" (Zarchin). April, 16-17, 48-50.
Hoosier research (Today's traffic). April, 7.
NUTI announces expanded program. April, 23.
New police driving school, a dream that came true (Cilona). Feb., 14-15.

Post Office
Chicago Post Office adds safety patrol. June, 26.

Posters
New posters for traffic and motor transportation programs. Monthly department.
Promote special Mother's Day traffic poster in Ohio. May, 24.

Prince, Melvin
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale. Research Review, June, 25-30.

Prince, Melvin and Payne, Donald E.
The impact of driver training on motor fleet accident experience: a preliminary survey of the Smith-Cummings-Sherman system. Research Review, March, 9-11.

Programs and campaigns
How nation planned for safe holidays. March, 28-30, 46.
"If only" campaign. Jan., 43.
Industry backs local safety effort (Mangelsdorf). April, 18-20, 52.
"Life saver" program educates young Air Force personnel. Jan., 26-27.
New York puts the facts to work; lays the groundwork for a sound traffic program. May, 14-16, 37.
President proclaimed the week of May 20-26, 1962, as National Highway Week (News from Capitol Hill). June, 32.
Promote special Mother's Day traffic. May, 24.
Signs, signs, everywhere, what's a driver to do? (Hanson). March, 18-19 (The program of the Traffic Engineering Association of St. Louis)
There's no "sure cure" (Hall). April, 31, 47.
See also Holidays

Psychology
Ohio State University studies driver behavior. May, 12.
Can mass communications sell seat belts? (Naisbitt). Feb., 8-11, 46-47.
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale (Barmack and others). Research Review, June, 25-30.
A psychological comparison of violator and non-violator automobile drivers in the 16 to 19 year age group (Beamish and Malfetti). Research Review, March, 12-15.

Public support
Arizona asks the people about driver education. Jan., 16-17.
The challenge of today (Hatfield). March, 30.

Radar
Police move to bar radar warning devices (Ingraham). June, 14.

Reid, Thomas R.
Traffic congestion: fiction and fact. April, 12-14.

Render, Forsythe
Organized labor takes steps to kayo off-job accidents. Jan., 34-35.

Research
Classifying accidents: a theoretical viewpoint (McGlade and Laws). Research Review, March, 2-8.
National Safety Council Metropolitan Life awards for research in accident prevention. Research Review, March, 32.
Ohio State University studies driver behavior. May, 12.
Traffic safety research projects; a listing of those in-process, and of those completed which are known to the National Safety Council. Research Review, March, 20-31.
Vehicle aspects of the highway safety problem (Stonex). Research Review, June, 15-24.

Research - Crash injury
Door latch study. April, 41.
Mechanical reduction of impact forces by automotive design (Ryan). Research Review, June, 3-14.
Vehicle aspects of the highway safety problem (Stonex). Research Review, June, 15-24.

Robeson, Mark
Yellow Transit budgets for safety. Feb., 32-35, 47.

Rosenfield, Harry N.
News from Capitol Hill. Feb., 19, 45; March, 20, 45; April, 25-26, 54; May, 10, 42; June, 9, 32-33.
Washington means business, review of 1961 safety activity on Capitol Hill shows increasin government interest in traffic safety. Jan., 8-9, 48, 50.

Ross, Don
His New York Herald Tribune series on the traffic safety problem cited in article by Mr. Hall. April, 31.

Rural traffic
1961 traffic story (Miller). March, 10.
Your rural road challenge (Burke). June, 18-20, 36-39.

Ryan, James J.
Mechanical reduction of impact forces by automotive design. Research Review, June, 3-14.

Safety councils
Industry backs local safety effort (Mangelsdorf). April, 18-20, 52.

Safety library (Zearing). Monthly department.

Safety stunts
Effective reminder, green circle check (Today's traffic). Jan., 7.

Schools
How they're training future motorists "down under". Jan., 30.
School bus watch dogs (Today's traffic). May, 5.
School patrols, sentinels of safety, protective arms, and teachers of safety (Kralovec). Feb., 20-21, 50.

Seat belts
Big switch to belts (Today's traffic). May, 5.
Boom in seat belts (Today's traffic). April, 7.
Comments on seat belts (The mail bag). April, 4.
Gift with a "plus" (Today's traffic). March, 7.
Give a life (Today's traffic). Feb., 7.
1961 nationwide poll of seat belt installation and use. Jan., 42.

Seat belts - Case histories of use.
Keeping them on the rig, firemen use seat belts. Jan., 32-33.
Lucky ones form club (Today's traffic). June, 7.

Seat belts - Case histories of use. (cont.)
Perpetual motion (Today's traffic). June, 7.
Physician says seat belt saved him from injury in car collision (The mail bag). April, 4.
Two-time winner (Today's traffic). March, 7.

Seat belts - Design
Mechanical reduction of impact forces by automotive design (Ryan). Research Review, June, 6-14.
Seal of approval from Australia (Today's traffic). Feb., 7.
Unobtrusive safeguard, retractable seat belts (Today's traffic). Jan., 7.

Seat belts - Promotion
Another plus for belts, insurance company doubles benefits (Today's traffic). June, 7.
Aussies plug seat belts (Today's traffic). May, 5.
Belt-in for safety, barbers promote seat belts in Fort Wayne. March, 25.
Boost for belts in Virginia (Today's traffic). Jan., 7.
Can mass communications sell seat belts? (Naisbitt). Feb., 8-11, 46-47.
"Holiday safety through seat belts" parade float. Feb., 30.
Pennsylvania health department uses seat belt persuasion. March, 26-27, 47.
Set good example, police equip own cars with seat belts (Today's traffic). March, 7.
Two companies conduct seat belt programs. Feb., 36.
Waiting room fitted with seat belts (Between stops). May, 2.
Wisconsin governor sets good example. Jan., 9.
Yellow Transit driver safety test prompts system-wide use of seat belts. April, 39.

Signs and signals, see Traffic control

"Smith system"
A field evaluation of the Smith-Cummings-Sherman driver performance rating scale (Barmack and others). Research Review, June, 25-30.
The impact of driver training on motor fleet accident experience: a preliminary survey of the Smith-Cummings-Sherman system (Payne and Prince). Research Review, March, 9-11.

Speed, see Motor vehicles - Speed

States - Activities and statistics
Arizona asks the people; support for driver education. Jan., 16-17.
California goes to bat for driver training (Crafts). Jan., 14-15, 45-47.
Compact to speed use of safety devices. Jan., 12.
The fallacy of fatals; new insurance industry figures bolster all-accident approach. April, 8-11, 46.
Motor vehicle deaths and injuries by states. Monthly department.
Pennsylvania's re-examination program shows results. Feb., 30.
State financial support of high school driver education. Jan., 13.
Traffic deaths, state records. Monthly department.

Stonex, K. A.
Vehicle aspects of the highway safety problem. Research Review, June, 15-24.

Television broadcasting
The light touch, weatherman Eliot does educational job on adult drivers (Griffin). Jan., 23, 43.

Today's traffic. Jan., 7; Feb., 7; March, 7; April, 7; May, 5; June, 7.

Traffic
Traffic safety (News from Capitol Hill). Feb., 19; March, 20; April 25-26; June, 9, 32.
Washington means business (Rosenfield). Jan., 8.

Traffic congestion
Traffic congestion: fiction and fact (Reid). April, 12-14.

Traffic control
Beehive road signs adopted by Utah. April, 52.
New signs for Iowa. May, 29.
Signs, signs, everywhere, what's a driver to do? (Hanson). March, 18-19.
Your rural road challenge (Burke). June, 18-20, 36-39.

Traffic courts
Group picture of some speakers at N. C. traffic court conference (News and views). Jan., 28.
The judge holds open house; Judge Fisher has court visitng program in Oakland. April, 32.
Outsmarting the smart boys (Test talk). March, 6.
Innovations by judge (Today's traffic). May, 5.

Traffic Institute, see Colleges and universities

Traffic tickets
Ticket draws blood (Today's traffic). Jan., 7.
Welcome greeting (Today's traffic). Feb., 7.

Traffic toll
There's no "sure cure." (Hall). April, 31, 47.
See also Motor vehicles - Statistics

Transit industry
Counselling team key to safer transit (Wallace). May, 26-27.
Sixteen transit systems are cited for safety. June, 26.

Transportation
Commercial transportation (News from Capitol Hill). Feb., 45; March, 20, 45; April, 26.
Inter-agency Committee on Transportation of Radioactive Materials established within the federal government (News from Capitol Hill). May, 42.
Protection for farm workers transported to and from work (Today's traffic). May, 5.
Safer transportation (News from Capitol Hill). June, 9.
Washington means business (Rosenfield). Jan., 9, 48.

U. S. government activities
Bureau of Public Roads announces reorganization; Rex M. Whitton answers some questions. Feb., 18-19.
National Accident Prevention Center (News from Capitol Hill). April, 26, 54; May, 10.
President's Committee for Traffic Safety reports on 1961 activities. March, 22-23.
William S. Foulis appointed executive director of the President's Committee for Traffic Safety. May, 20.
See also Legislation

U. S. military services
"Life saver" program educates young Air Force personnel. Jan., 26-27.

Visual education
High school stages collision to teach accident reporting. June, 17.
Magic results; two Kansas policemen fight the accident dragon with entertainment. April, 23.
New posters for traffic and motor transportation programs. Monthly department.
Pennsylvania health department uses seat belt persuasion with exhibit. March, 26-27, 47.
Promote special Mother's Day traffic poster in Ohio. May, 24.

Visual education - Films and slides
Entries invited for safety film contest. Jan., 36.
Best safety films of 1961 named in contest. June, 8.
Can mass communications sell seat belts? (Naisbitt). Feb., 8-11, 46-47.
"None for the road." Feb., 22.
Your rural road challenge (Burke). June, 18-20.

Wallace, D. L.
Counselling team key to safer transit. May, 26-27.

Weaver, D. A.
Insurance safety service for the small fleet. April, 36-38, 50-51.

Whitton, Rex M.
Mr. Whitton answers some questions about the Bureau of Public Roads reorganization. Feb., 18-19.

Winter driving hazards
A study of accident hazard in relation to fenders and mudguards for motor vehicles (Forbes). Research Review. March, 16-19.
Tragic accident at Pine Lake. March, 14-15, 50.

Women's clubs
ASF looks to the future, plans increased action on traffic fronts. June, 10-11.
Our error (GFWC is not supporting H.R. 133) (The Mail Bag), June, 4, 34.

(over)

Zarchin, Milton
Accident trackdown, how New York City's accident investigation squad probes the "big ones." April, 16-17, 48-50.

Zearing, Lois
Safety library. Monthly department.

AN INDEX FOR

1412

Traffic Safety and its quarterly supplement Research Review, combined into one alphabetical list by author and subject.

July-December, 1962

ACCIDENT INVESTIGATION
The case for the coroner (Neilson). July, 10-13, 34.

ACCIDENT PRONE, see PSYCHOLOGY - DRIVERS

ACCIDENT STATISTICS
A closer look at the national accident problem (Pyle). Sept., 7.
What is needed now--accelerated action to prevent accidents. Nov., 11-13, 47.
See also HOLIDAYS; MOTOR VEHICLES - STATISTICS

ACTION PROGRAM, see PROGRAMS - ACTION PROGRAM

AIR POLLUTION
Air pollution: federal act extended, appropriation made, conference to be held (News from Capitol Hill). Dec., 10.
Public Health Service report on auto exhaust (News from Capitol Hill). Sept., 26, 43.

ALCOHOL DRINKING AND DRIVING
Alcohol plays bigger role (Test talk). Oct. 10.
Blood-alcohol testing equipment seen by visitors at anti-crime lab. Nov., 19.
Chemical test use increases (Test talk). Oct., 10.
Code "presumptive level" reduced (Test talk). July, 8.
Implied consent for Virginia (Test talk). July, 8.
The role of alcoholism in motor vehicle accidents (Schmidt and others). Research Review, Dec., 21-27.
A spiked ice cream for the road? Oct., 10.
Times change--same problems (Test talk). Oct., 10.
Traffic accident facts, alcohol drinking and driving. Oct., 18.
Unwarranted conclusion (Test talk). July, 8.

ALCOHOLISM
Alcoholism research. Sept., 22.
The role of alcoholism in motor vehicle accidents (Schmidt and others). Research Review, Dec., 21-27.

Algea, Charles and others
Human factors research in the use of electronic devices as traffic aids. Research Review, Sept., 10-16.

Anderson, George W.
Transit, key to fluid movement. Oct., 12-14.

ASSOCIATIONS
National field service directors pool ideas, plan unified action (Harris). Sept., 20.

ASSOCIATIONS (cont.)
Specific associations:
American Bar Assn. -- ABA inaugurates new field service. July, 21.
American Optometric Assn. -- AOA to hold meeting. Aug., 42.
American Trucking Assn. -- The changing image of the truck driver (Goyak). Aug., 38.
Auto Industries Highway Safety Committee -- Officers of the AIHSC elected. Oct., 50.
Automobile Manufacturers Assn. -- AMA elects officers. Aug., 42.
Automotive Safety Foundation -- Donald G. Capelle joined Automotive Safety Foundation's traffic engineering division. Oct., 50.
California Traffic Safety Foundation -- Officers of California Traffic Safety Foundation. Oct., 24.
International Association of Chiefs of Police -- IACP announces traffic awards. Aug., 15.
IACP creates new foundation known as the Institute for Police Management. Nov., 20.

AWARDS
Announce winners in vehicle safety check. Oct., 24.
Announce winners of Sloan radio-TV awards. July, 5.
Col. Homer Garrison wins Paul Gray Hoffman award. Dec., 17.
Eastern Express official, Bertram L. Wheat, named "safety director of the year." Nov., 39.
General Federation of Women's Clubs presents awards in two programs. Sept., 21.
IACP announces traffic awards. Aug., 15.
Prof. B. F. K. Mullins receives the Metropolitan Life Award of Merit. Dec., 13.
Virginia physician, Indiana police win Medical Tribune awards. Aug., 17.
Winners of the 1962 Metropolitan Life awards. Research Review, Dec., 5.

AWARDS - DRIVERS, see DRIVERS AND DRIVING - AWARDS

AWARDS - NATIONAL SAFETY COUNCIL
Announce winners of Trustees Awards. Oct., 11; Dec., 12.
Fleet victory luncheon. Nov., 39.
Marcus A. Dow award to Donald S. Buck. Aug., 28.
NSC's seat belt campaign received the Silver Anvil award from the Public Relations Society of America. Nov., 12.
Railroad awards. Oct., 24.
Wausau's traffic program wins top inventory award. Aug., 12-13.

Barmack, Joseph E., see Payne, Donald E.

Beirne, J. A.
A quote on safety for the Labor Day weekend. July, 27.

Bennett, Richard O.
Beyond the tailgate. Nov., 36-38.

Between stops. Monthly department.

BICYCLES
Chicago bank institutes bicycle safety league. Nov., 25.
Not hurt, just dead (Today's traffic). Dec., 9.

BOOK REVIEWS
American Trucking Assn. - Personnel practices in trucking industry. Sept., 42-43.
Frome, Michael - 1001 ways to enjoy your car. Nov., 50.
Gourley, G. Douglas and Bristow, A. P. - Patrol administration. Sept. 42.
Higgins, Lois Lundell - Policewoman's manual. Nov., 50.
Norman, L. G. - Road traffic accidents: epidemiology, control and prevention. Nov., 50-51.
Schwartz, John I. - Police roadblock operations. Sept., 42.
Sports Illustrated's book of safe driving. July, 40.

Case, Harry W., see Levonian, Edward and others

CHILD SAFETY - SCHOOLS
Safety kits distributed to school principals. Dec., 40.
Tiny towns do big safety job (Gerber). Oct., 29, 45.
Writing competition. Dec., 24.

Chubb, Gerald and others
Human factors research in the use of electronic devices as traffic aids. Research Review, Sept., 10-16.

Cilona, Charles
He sells them on seat belts. Aug., 16.

Cobliner, W. Godfrey and Shatin, Leo
An adaptational perspective on the traffic accident. Research Review, Dec., 13-15.

COLLEGES AND UNIVERSITIES
Cornell University's Automotive Crash Injury Research program moves to Buffalo. Oct., 28.
Franklin M. Kreml to new post at Northwestern University. Dec., 17.
N.Y.U. safety courses in industrial and motor fleet accident prevention. Sept., 27.
New degree at NYU. Aug., 42.
Third class is graduated from traffic safety management course. July, 21.
Traffic short courses. Aug., 19; Nov., 31.
Traffic safety management program, 1962-63 schedule of courses. Dec., 39.

COLOR
Good warning, car trunk painted blaze-red inside (The mailbag). Nov., 46.
Yellow paint more visible. Aug., 40.

CONFERENCES
AOA to hold meeting. Aug., 42.
Coming events. Monthly department.
Governors' conference adopts traffic safety resolutions. Sept., 22.
International Study Week and Safety Congress to be held September 10 to 16, 1962. July, 5.

CONFERENCES (cont.)
National field service directors pool ideas, plan unified action (Harris). Sept., 20.
Pittsburgh holds one-day conference. Dec., 7.
Some highlights of the Ninth Highway Transportation Congress (News from Capitol Hill). Aug., 14.
Urban transport problems symposium at Detroit Oct. 23-24. Sept., 27.
Western governors come out fighting (Fannin). July, 14-15.

Conger, John J.
What is past is prologue: research and the National Safety Council. Research Review, Dec., 2-4.

CONTESTS
The changing image of the truck driver (Goyak). Aug., 36.
Driver improvement essay contest winners. Sept., 27.
Jaycee road-e-o finals to be held Aug. 5-9. July, 17.
K. E. Staley to speak at fleet victory luncheon. Nov., 39.
Newsmen to judge ATA competition. Sept., 32.
Pilot Club awards. Nov., 26.
See also AWARDS

Coppin, Ronald S.
A controlled evaluation of group driver improvement meetings. Research Review, Sept., 17-23.

COSTS, see ECONOMIC ASPECTS

COURSES, see COLLEGES AND UNIVERSITIES; DRIVERS AND DRIVING - COURSES

DeNoyer, James R.
Air Force captain scores with "operation lapstrap." Oct., 22, 44.

DRIVERS AND DRIVING
Carolina Motor Club routed homeward bound reservists. Nov., 23.
Knows when to quit--on 91st birthday (Today's traffic). Sept., 11.
Slow moving car killed deer (Between stops). Oct., 7.
Success boomerangs (Today's traffic). Dec., 9.

DRIVERS AND DRIVING - AWARDS
The changing image of the truck driver (Goyak). Aug., 34, 36.
Mason & Dixon Lines wins ATA president's trophy. Sept., 31.
Miami's red, white and blue plan. Nov., 47.
Taxicab drivers win awards. Sept., 31.

DRIVERS AND DRIVING - COMMERCIAL
The changing image of the truck driver (Goyak). Aug., 24-27, 34, 36-38.
Characteristics of safe drivers: a pilot study (Malfetti and Fine). Research Review, Sept., 3-9.
Help for small fleet operator. Sept., 31.
ICC amends regulations pertaining to hours of drivers' service (News from Capitol Hill). July, 16.
A pro on the road (Finch). Sept., 28-30.
Taxicab drivers win awards. Sept., 31.
Teamster truck drivers can't afford traffic accidents. Dec., 29-30.

DRIVERS AND DRIVING - COURSES
A controlled evaluation of group driver improvement meetings (Coppin). Research Review, Sept., 17-23.
Denver's senior citizens go to traffic school. Aug., 20.
Ideas on education (The mailbag). Sept., 4.
NYU safety courses in industrial and motor fleet safety accident prevention. Sept., 27.

DRIVERS AND DRIVING - COURSES - HIGH SCHOOL
Camera for Allstate's Driver Trainer pictured. Oct., 11.
Psychological characteristics in relation to sex and driving experience of driver education students (Levonian and others). Research Review, Dec., 28-32.
Syracuse success story (Tossell and Townsend). Nov., 14-15, 54.

DRIVERS AND DRIVING - LICENSING
AOA to hold meeting. Aug., 42.
California patrol form helps weed out poor drivers. Sept., 27.
Something to live for (Today's traffic). July, 7.

DRIVERS AND DRIVING - TESTS
Characteristics of safe drivers: a pilot study. (Malfetti and Fine). Research Review, Sept., 3-9.
Human factors research in the use of electronic devices as traffic aids (Rockwell and others). Research Review, Sept., 10-16.
The psychometric prediction of problem drivers (Schuster and Guilford). Research Review, Dec., 16-20.
Select new site for winter tests. Sept., 15.

ECONOMIC ASPECTS
A statistician looks at the rising traffic toll (Miller). Dec., 14-16, 42.
Traffic accident facts, 1962 edition. Oct., 15-16.

ELECTRONICS
Human factors research in the use of electronic devices as traffic aids (Rockwell and others). Research Review, Sept., 10-16.

ENFORCEMENT
California patrol form helps weed out poor drivers. Sept., 27.
Chicagoans get teleview of traffic court. Sept., 18-19.
Clean sweep for Iowa roads. July, 19.
Mayor frowns on ticket fixers (Today's traffic). Nov., 21.
Rate traffic no. 1 problem in Idaho. July, 42.
Virginia physician, Indiana police win Medical Tribune awards. Aug., 17.
A word with the wives (Today's traffic). July, 7.

ENGINEERS - FLEET
Beyond the tailgate (Bennett). Nov., 36-38.
Eastern Express official named "safety director of the year" by American Trucking Assn. Nov., 39.

FAIRS
Keeping traffic moving at the World's Fair. Oct., 30-31.

Fannin, Paul
Western governors come out fighting. July, 14-15.

FATIGUE
Novel tea break in Japan (Today's traffic). Sept., 11.
Spotlight on dynamo Bill Leonard who started holiday coffee-stop program (Today's traffic). Nov., 21.
Truckers munch for science in novel driving experiment. Oct., 36.

FEDERAL ASPECTS
Washington and traffic safety, three views:
Teamwork, key to total effort (Whitton). Dec., 18-19, 39.
Threat or opportunity (Rosenfield). Dec., 18-21.
What is the federal role? (Williams). Dec., 18-19, 22-23, 38.
See also LEGISLATION; U. S. BUREAUS AND DEPARTMENTS.

FILMS
New "winter driving" film. Dec., 6.

Finch, Alfred C.
A pro on the road. Sept., 28-30.

Fine, Jerome L. and Malfetti, James L.
Characteristics of safe drivers: a pilot study. Research Review, Sept., 3-9.

FIRST AID - HIGHWAYS
Rochester firms offers novel service to stranded drivers. Nov., 40.

FOREIGN COUNTRIES
Bulgaria - Sure cure (Test talk). July, 8.
Canada - Mark of distinction, seat belt sticker (To-day's traffic). Dec., 9.
The role of alcoholism in motor vehicle accidents (Schmidt and others). Research Review, Dec., 21-27.
Traffic deaths figures for some cities and provinces. July, 32, 33; Aug., 32, 33; Sept., 36, 37; Oct., 40, 41; Nov., 44, 45; Dec., 34, 35.
England - Fashion note for motorcyclists (Today's traffic). Sept., 11.
Ireland - Irish adopt radar control (Today's traffic). Aug., 9.

Forman, Bob
New driver warning device gets performance test. July, 26.

Gerber, Warren W.
Tiny towns do big safety job. Oct., 29, 45.

Goyak, Elizabeth F.
The changing image of the truck driver. Aug., 24-27, 34, 36-38.

GRADE CROSSINGS
How Ohio cut accidents at grade crossings in 1961 (Keys). July, 20-21.
ICC investigates grade crossing accidents. July, 19.

Harris, George W.
National field service directors pool ideas, plan unified action. Sept., 20.

Healy, Patrick
Urban transportation planning must win public support. Nov., 16-17.

HIGHWAYS
Freeway traffic accident analysis and safety study (Mullins and Keese). Research Review, Dec., 6-12.
Freeways reduce Michigan accidents. Dec., 24.
Test measuring equipment. Aug., 19.
"Tri-level" freeways? (Today's traffic). Oct., 9.
Turning lane cuts accidents (Today's traffic). July, 7.

HOLIDAYS
Announce annual campaign to curb holiday deaths. Nov., 20.
Holiday accident study completed in Ohio. Nov., 48.
Motor-vehicle deaths on major holidays. Oct., 17.
Organized labor makes plans for a safe holiday weekend. July, 27.
Stay-at-homes collect a bonus. Nov., 20.

Imhoff, Chris
Big challenge, big opportunity; transit management's stake in safety. Oct., 32-35, 42-43, 48.
Help for small fleet operator with "Better driving is better business." Sept., 31.

INVENTORY - TRAFFIC
The past shows progress (Johnson). Nov., 8-10.
Wausau's traffic program wins top inventory award. Aug., 12-13.

Johnson, William G.
Looking toward the future. Nov., 13.
The past shows progress. Nov., 8-10.

Keese, C. J. and Mullins, B. F. K.
Freeway traffic accident analysis and safety study. Research Review, Dec., 6-12.

Keys, Grant
How Ohio cut accidents at grade crossings in 1961. July, 20-21.

LABOR UNIONS
Teamster truck drivers can't afford traffic accidents. Dec., 29-30.

Ledgin, Norman
Selling the editor your safety story. Nov., 24-25.

LEGISLATION
Boning up on laws (Today's traffic). Oct., 9.
The legislative hopper, summary of traffic safety legislation. July, 22, 26; Nov., 18-19, 51-52.
Let's stop confusing drivers (Porter). Nov., 22-23, 51.
National conference on uniform traffic control devices to be held in Washington (News from Capitol Hill). Dec., 40.
News from Capitol Hill (Rosenfield). July, 16; Aug., 14; Sept., 26; Oct., 28; Nov., 31; Dec., 10, 40.

Levonian, Edward and others.
Psychological characteristics in relation to sex and driving experience of driver education students. Research Review, Dec., 28-32.

LICENSE PLATES
Slogan didn't pay on license plates (Today's traffic). Dec., 9.

LIGHTING - STREET AND HIGHWAY
More light, more life (Porter). Sept. 8-10, 38.

Lowery, Forst E.
Mind stretching for managers. Sept., 12-13, 46.

The mailbag. July, 4: Aug., 4; Sept., 4; Nov., 46.

Malfetti, James L. and Fine, Jerome L.
Characteristics of safe drivers: a pilot study. Research Review, Sept., 3-9.

Meany, George
A quote on safety for the Labor Day weekend. July, 27.

Miller, H. Gene
A statistician looks at the rising traffic toll. Dec., 14-16, 42.
Traffic deaths, rates and trends for U. S. states and cities; also for Puerto Rico, and the Virgin Islands. A monthly department.

MOTOR VEHICLES
"Core-mobile" for downtown streets. Nov., 34.
Good warning, car trunk painted blaze-red orange inside. (The mailbag). Nov., 46.
Human factors research in the use of electronic devices as traffic aids (Rockwell and others). Research Review, Sept., 10-16.
Mirror doesn't tell all (The mailbag). Sept., 4.
More cars in 1962. Nov., 26.
"People-catchers" for automobiles? (Today's traffic). Aug., 9.
Public Health Service report on auto exhausts (News from Capitol Hill). Sept., 26, 43.
Western governors come out fighting (Fannin). July, 14-15.

MOTOR VEHICLES - COMMERCIAL
Beyond the tailgate (Bennett). Nov., 36-38.
Motor transport conference takes stock, makes plans, sees safety devices demonstrated. July, 24-25.
New bus for Greyhound. Oct., 35.
New driver warning device gets performance test (Forman). July, 26.

MOTOR VEHICLES - FINANCIAL RESPONSIBILITY
The Supreme Court sustained constitutionality of portion of Utah act (News from Capitol Hill). Dec., 10.

MOTOR VEHICLES - INSPECTION
Ailing cars are big turnpike headache. Aug., 18-19.
Announce winners in vehicle safety check program. Oct., 24.

MOTOR VEHICLES - INSPECTION (cont.)
Find service defects in 24% of vehicles in company check. Sept., 32.
Teens for safety (Today's traffic). Nov., 21.
Traffic accident facts, condition of vehicle. Oct., 17.
Vehicle safety check results announced. Dec., 24.

MOTOR VEHICLES - SPEED
Deemphasis on speed and racing (News from Capitol Hill). Sept., 26.
Irish adopt radar control (Today's traffic). Aug., 9.
Speed and horsepower in ads. Sept., 15.
Traffic accident facts. Oct., 16.

MOTOR VEHICLES - STATISTICS
A controlled evaluation of group driver improvement meetings (Coppin). Research Review, Sept., 17-23.
Freeway traffic accident analysis and safety study (Mullins and Keese). Research Review, Dec., 6-12.
$150,000 vs. 4 cents (Today's traffic). Sept., 11.
The psychometric prediction of problem drivers (Schuster and Guilford). Research Review, Dec., 16-20.
The role of alcoholism in motor vehicle accidents (Schmidt and others). Research Review, Dec., 21-27.
A statistician looks at the rising traffic toll (Miller). Dec., 14-16, 42.
Traffic accident facts, 1962 edition. Oct., 15-18.
Traffic record. Monthly department.

MOTOR VEHICLES - STATISTICS - STATES AND CITIES
A case for the coroner (Neilson). July, 10-13, 34.
Cleveland fatal accident study for eighteen months ending June 30, 1962. Nov., 26.
Freeways reduce Michigan accidents. Dec., 24.
Holiday accident study completed in Ohio. Nov., 48.
Missouri's Governor Dalton stumps for traffic safety. Sept., 17, 39.
The past shows progress (Johnson). Nov., 8-10.
Traffic deaths, rates and trends for U. S. states and cities; also for Puerto Rico, and the Virgin Islands (Miller). A monthly department.

Mullins, Benjamin F. K. and C. J. Keese.
Freeway traffic accident analysis and safety study. Research Review, Dec., 6-12.

NATIONAL SAFETY COUNCIL
Motor transport conference officers for 1962-63, committee chairmen, and members at large. Dec., 28.
Motor transport conference takes stock, makes plans. July, 24-25.
